

# SHAPES

# &

# SPINNING

*Fair Field Notes*

## Basic shapes I found:

Write or draw what you see!

# Strange SHAPES

Basic shapes are easy to name, but some shapes aren't so familiar. Look at this strange shape: What would you call this shape?

Strange shapes I found:

Name your shapes!

What else is spinning at the fair?

Write or draw the spins you see!

**You found shapes & spins!**      ● ● ● ~~~~~  
**What other math can you find at the fair?**

My name is \_\_\_\_\_  
and I found math at the fair!
